## The story of Snow White

*Read and listen to the story of Snow White.*

Snow White lives in a big palace with Queen Ezmerelda. Queen Ezmerelda is very rich and very important. She is also very bad. Queen Ezmerelda has a Magic Mirror. One day Queen Ezmerelda looks at the mirror and says "Mirror, mirror on the wall, who is the nicest of them all?". "Snow White" says the Magic Mirror. The Queen is very angry.

Snow White is very frightened and so she decides to escape from the palace into the forest.

In the forest Snow White discovers a little house. "Hello" she says, but there is no answer. She slowly opens the door.

Inside, the furniture is very small and very dirty.

There is a dirty little table, little chairs, a little clock and even a little fireplace. There is also a little fridge and a washing machine. In the house live some dirty dwarves. When they return, Snow White helps them to clean the house and wash their clothes.

The next day Queen Ezmerelda says to her Magic Mirror "Mirror, mirror on the wall, who is the nicest of them all?". Again the mirror says "Snow White". This time the Queen is very, very angry. She goes to her laboratory and makes a poisoned apple. Queen Ezmerelda goes to the little house disguised as an old woman.

Snow White is alone in the house. When she sees Snow White Queen Ezmerelda says "Hello, my dear, would you like an apple?". She gives the poisoned apple to Snow White. When Snow White eats the apple she falls to the floor and dies. At that moment a handsome prince sees Snow White. He falls in love with her and gives her a kiss. Snow White wakes up and when she sees the prince she falls in love with him. They get married and live happily ever after.
